I have the wettest pussy that yearns to be filled. Sometimes it calls to me in the middle of the night demanding that something be done to fill it. If there is no man around, I start with my fingers and then find my trusty dildo to finish me off. While these are good things, a hard cock is the best. But, somehow, there always seems to be a man around. Go me!!

time for the boss

I hadn't seen a man's penis since my ex-husband left and we subsequently divorced. So I wasn't prepared at all to see my boss' penis. I guess he thought I was walking out of the bathroom because he stopped trying to cover himself when I started to turn around.

...and that's how it all began.

I'm at a mountain retreat just west of Lake Tahoe. It's in a beautiful little mountain village that looks kid of Alpine-ish. There are a dozen or so cabins around a central conference facility and we'll be there for about a week. I'm in one of the larger cabins that sleeps four on one floor. It's a modern rustic-looking A-frame with a huge window in the front that offers an incredible view of the lake. This is the fourth day of the conference that has us listening to the CEO, the CFO and other motivational speaker that have been invited to speak to us. Us is about thirty from our company which is one of the largest a natural foods wholesalers. I love my job, but after three or four days of this constant "Rah-Rah" crap, I'm ready to go home. And there's three more days of this.

So, now you know where I am, let me tell you briefly who I am and why I'm writing this. My name is Hannah, I'm 22 and started about a year ago in Purchasing. I wouldn't be here today except my old supervisor was transferred back East and I got her job. I split with

my married-too-young husband two years ago and haven't been with anyone since. Long time, I know! In the other three rooms in my cabin are occupied by the cereals marketing manager, the canned goods manager (I don't really know his title, but that's what we call him), and my department head – my boss. He's a really nice guy, about thirty, I guess, and kinda nerdy in a Clark Kent sort of way. He dresses nice for work and is always polite, but hardly ever really talks much. I sometimes tease him about that and he gets shy.

So it's after 5pm and the meetings are over for today. I just got out of the shower and, apparently, he was headed in. All four rooms share the one bath area. I wrapped a towel around me and headed back to my room. He had just come out of his room, naked, and was headed there. I smiled, looking him in the eyes, but had to sneak a peek. This was apparently not an embarrassment for him. I fumbled with my door knob and finally opened the door. He slowed down as he approached the bathroom door as maybe, just maybe, he wanted me to see his schlong. Whatever the reason, I turned back around to have my peek, I could clearly

see his semi-hard dick from where I was standing. And it turned me on! I couldn't seem to take my eyes off his cock. The last time I had seen a penis was a couple months before my divorce.

I glanced at his face and saw that he was looking at me, his face flushed and his mouth quivering slightly. He obviously embarrassed and flustered. Or maybe he was excited. By now, his dick was certainly excited! I gazed back down at his throbbing member and found myself literally drooling the more I kept staring at him. I finally took a few steps towards him and reached out my hand and gently touched the middle of his prick with the tips of my fingers, my touch caused it to throb that much more. I immediately pulled my hand back as if I had just touched a rattlesnake! I gasped put my hand to my chest, still not taking my eyes off my boss' cock.

I grabbed it and pulled him into the bathroom and closed the door. I let go of his cock and grabbed a washcloth and soap and began scrubbing it. This whole time he was silent, letting me do what I was doing. I rinsed and wrung the washcloth and wiped him again. I put the cloth in the sink and I felt my body tremble slightly as I lowered myself down as my face was almost touching his cock. Before I realize what I was doing, I smelled his cock as if I was sniffing in rose. I moaned at the sweet smell of his manhood.

Then I heard him moaning too, along with me while I was sniffing him up and down. He was clearly turned on by what I was doing to him just like I suspected he

was. This, in turn, made me even more turned on... and incredibly horny! I scooped up his balls, which were just as impressive as the organ they lay under, with my hand and slowly ran the tip of my first finger up and down his extended shaft. After playing with him like this for the next minute or so, I grabbed his cock in the middle and slowly started to stroke it. This obviously must've felt really good to him because he started to hump my hand. I gripped his prick tighter as he fucked my hand harder.

My breathing grew heavier and faster as he humped my hand. I looked down and I could see cum droplets forming at the tip of his penis. It only took a few more seconds for him to shoot a straight line of cum across the middle of my chest, not taking my eyes off his face as he came. He kept humping my hand as he kept shooting his load across my chest. His wails soon turned into soft moans as he started to settle down a bit. I look back down at his penis and saw that, except for a few clear droplets, he had stopped ejaculating. I removed my hand from around his softening penis and notice that some of his sperm had splattered onto my hand. I lifted my hand up to my face and did something that I never had even done with my ex: I stuck out my tongue and licked every drop of his semen from my hand. He looked down at me and gave me a rather lustful smile. I gave him my own lusty grin as I finished cleaning it off with my tongue. I got up off my knees and walked out of the bathroom, closing the door behind me.

When I got up the next morning, I made a couple cups

time for the boss

of coffee with the coffee maker that was in the room. My boss was already in the bathroom getting ready for the day. I saw him walking towards his door in a hurry. He was probably hoping I wouldn't notice, but I did. I called out to him to come into my room for a minute.

as I stroked him. I wrapped my lips around the head and began to suck him off. I wrapped my other hand around his shaft and started to beat him off with both hands as I took more and more of his penis into my mouth. He was so large and well endowed that I was

He was standing in the doorway, not even batting an eye in my general direction. His face was flushed just like it was the day before we... well, you know!... And his body was shaking a little. I smiled at his nervousness and I said to him in a playful, teasing way, "Come over here. I promise I won't bite you." I shrugged as I added teasingly, "Well, not unless you ask me to!"

He paused for a brief moment before he very slowly stepped over and stood in front of me, still not looking at me. I turned in my chair to the side and looked up at him. I looked straight at his crotch and noticed the big protrusion under his waist towel. I guess he couldn't even look at me now without getting a hard-on! I was feeling my confidence level rise just like his cock and this in turn made me bolder. I placed my hand under the towel and began to rub my boss' engorged dick.

He said nothing as I pulled off the towel. His cock nearly hit me in the face as it popped loose. I gazed over his cock for a moment, then took it in my hand and began to stroke it in the way I had yesterday. He started to moan out loud and got even harder

only able to get a little more than half of him in me. My head bobbed up and down on his penis and then he thrust his pelvis back and forth a little bit more as if he was trying to keep up with me. I took his prick out of my mouth as I lifted it up and sucked on his two big and hairy balls with my lips and teeth.

I slipped his penis back into my mouth and sucked and masturbated him with both hands again to finish him off. As I had expected, it didn't take long as his wails and moans turned into muffled screams as he sprayed my face and filled my mouth with his thick, slick semen. I held my mouth open wide so I could catch his escaping sperm he was shooting at me and I beat him off so hard and so fast that I thought I was going to pull his dick right off his body! He shot such a huge load, as a matter of fact, that it caused me to remark lustfully to him, "You sure were saving a big load for me, weren't you?"

I cleaned us both up, and we sat and finished the coffee, which had cooled by now. After a few minutes, he said he had to go because he was giving the company talk this morning. And that's just what he did!

sweet and petite and a bit of a freak

I got married young and only dated my now-husband right out of high school. That never really gave me a chance to try different men and I didn't realize that until I was a couple years into my marriage. My best girlfriend was single and played around a lot. she would tell me stories of having sex with different guys and all aI could say was I've only had one. She set me up with a guy I said I liked and we did it. It was fantastic. He had a bigger cock and fucked different. I liked it and will see him again.

i can't say no

I'm 26 years old and an adjunct professor at a small Atlantic Coast university in South Carolina. That means I'm not a full time prof. I come in to give lectures or assist the full-time pros with their classes. It's a good gig right now. I don't work every day and I like my time off. I bicycle to the campus and love to walk around and see the manicured grounds and, of course, all the pretty young coeds. Now don't get me wrong. I said I like to look.

My schedule for the week has me waking up early and cycling to the university every morning. I get there the exact same time, even in rainy weather, and see the same students walking to their first classes. There's one coed that comes to my class who looks to be nineteen or so. She's always overburdened with textbooks and has dropped them many a time as she settles into her seat. She dresses conservatively, but my instincts tell me that she may be a

little wilder than she seems. I think her name is Gia, but I'm not sure with one hundred students in my class.

The bell rings and the muffled noises of students seating themselves dies down and I begin to talk. Today I'm lecturing on the virtues of the Norwegian health care system versus our health care, so I talk, and talk, and talk until the end bell rings and that flurry of them getting up and leaving fills the room. I watch the students empty the lecture hall, and notice Gia coming down towards me. Strangely, I felt something in my pants tingle at the sight of her getting closer. That had not happened before.

"Professor, do you have a minute?" she asked.

"Yes, of course... Gia, isn't it?" I ask.

"Yes, hi." she says. "I think I'm having a bit of a hard time understanding your lecture today. While I understand the differences in the two health care systems you talked about, I don't see the economic impact each has on their respective countries. I especially didn't understand the differences between the Australian and South African systems you alluded to." she says.

I'm stunned and amazed that someone actually listened and thought about what I said. I looked at her for a moment, taking in her pretty eyes and soft (I assume) skin.

"Gia, I can adjust my notes and go a little more into depth on that in my lecture on Wednesday. There isn't enough time to discuss it here and now. I hope that will work for you." I say with just a hint of sarcasm.

She smiles, nods okay and I watch her walk up the stairs and out of the lecture hall. My next class is coming in now, but all I can think about is that cute little coed who is actually interested in what I'm teaching. My day finally ends and I cycle home. I think about her on and off as I prep for my next day's lectures. I lean back in my chair and think about my first year in college. The first time I had sex with a girl at college was with one a couple years older than me. She was a junior and I had only been there a month. Her name was Annie and she was about one hundred pounds, five foot six with long brown hair to her shoulders, and perky twenty-year old boobies. I remember she loved to show off around campus in a short belly shirt with no bra. This drove all the boys crazy to see that walking into the quad.

My dorm shared the same lunch hall with hers. One day she came over to our table and asked if she could sit. She said all the other seats were taken. I stumbled over my words to say 'yes.' and she smiled as she set down her tray. We talked throughout the half-hour we had for lunch as I brought my "A" game. It was 1:30. As we took our trays to their station, she said she didn't have another class until three. I had one at two, but some said that I didn't either.

"Good." she said. "Let's go to your room and listen to Coldplay. she says. "You do have Coldplay?"

"Of course," I said. "Everyone of their CDs."

SHE CAME OVER TO MY BED, WHERE I WAS LOUNGING AND SAT ON THE EDGE. SHE PULLED HER TOP OFF RIGHT THERE IN FRONT OF ME AND EXPOSED TWO PERFECT BREASTS. MY MOUTH DROPPED AS I COULDN'T TAKE MY EYES OFF THEM.

We walk into my room with her behind me and she closed and locked the door. She winked and walked over to the CD player and found a disc and put it in. I enjoyed her company and we shared college stuff for over an hour. She came over to my bed, where I was lounging and sat on the edge. She pulled her top off right in front of me and exposed two perfect breasts.

"Do you like?" she cooed. I muffled out a 'yes' as she took my hand and brought it up to her right breast. I squeezed as I felt her hands reach for my pants button and zipper. She undid them and put her hand inside searching for my cock. It was already half-way to greeting her fingers as she grabbed and squeezed. I stood in

front of her and let her pull my pants and boxers down. Then she pulled her top over her head and threw it on the bed. I reached for her jeans, unbuttoned and pulled them down. She wasn't wearing panties and the sight of her trimmed pubes was a huge turn on.

I sat on the bed leaving room for her on the other side. We ran our hands over each other's bodies as we kissed. It was only a few minutes when she dropped her head down and I felt her lips and tongue wrapped around my cock. She was sucking me so hard, pulling the blood to the head of my cock. I felt something I've never felt before as my heart started pounding really hard. I tried to push her head off me but she kept it there, going all the way down on it. I realized I needed to relax and just kicked back to enjoy it. I'll be fine. Just lay there and enjoy getting your freshman college cock sucked by this wild-ass junior.

As she sucked up and down, I didn't know how long I could last, but then she pushed me down on the bed and got into a 69 position over me. She told me to lick her. I looked up at her pussy and I was speechless at this close up view of this girl's privates. Her pussy lips glistened with sweat and pussy juices. It was beautiful. My cock got harder as my tongue reached up and parted her lips, slightly spreading them apart. Her tight pink asshole seemed to be pushing in and out by itself as I was licking her.

Then, I went crazy and started licking her anus. First, up and down to her pussy ending at her clit and back up again, repeating this for several minutes. I could hear her moans through her cock sucking. She never loosened her tightly wrapped mouth around my cock and suddenly I shot thick ropes of cum into it. She stopped just long enough to swallow and catch her breath. LouAnne, from Memphis, smiled at me still catching her breath. She climbed off me and I watched that sweet pussy get further away. But no problem at all, I'm about to fuck it soon. and she's goona see how it feels from a virile nineteen year old college man!

THEN, I WENT CRAZY AND STARTED LICKING HER ANUS. FIRST, UP AND DOWN TO HER PUSSEY, ENDING AT HER CLIT AND BACK UP AGAIN, REPEATING THIS FOR SEVERAL MINUTES. I COULD HEAR HER MOANS AND GROANS THROUGH HER COCK SUCKING.

She sat up on the bed, leaning back against the wall and spread her legs, bringing her knees up. She started stroking her clit and shoving her fingers inside her pussy. I'm looking at her sweaty naked body and listening to her moans, making me hard again.

"I see you're ready again." she says with a smirk.

A man wearing a black and white vertically striped shirt and sunglasses is leaning over a woman. The woman has red hair and is lying on a grey couch, looking up at the man with a smile. She is wearing a white thong with a colorful pattern. The background is a yellow wall with some decorative items.

Farrah, CALLING FOR DICK

I love the feel of a hard cock in my mouth and in my pussy. When I'm super horny, I pick up the phone and call Dick to come and service me. I tell him my best orgasm is when my clit is played with for a long time. If I can get that much pleasure out of my little thing, I can just imagine the pleasure you guys must feel with your big hard dicks.
